

2012 European CWG Conference - Berlin - May 6 - 9, 2012

The 2012 European Configuration Workgroup Conference was held again in Berlin Germany May 6 - 9th beginning with a Meet and Greet on Sunday night. There were eSpline presentations including: 1) "10 Things to never forget in the SAP IPC", 2) "Auditing your VC Model Change Process" with an emphasis on an auditor asking probing questions about model change governance in a SAP VC Model and 3) "Transforming your product models".

A SAP IPC Training and a Advanced SAP VC Modeling Workshop are planned following the conference at the CWG conference Hotel on May 10th and 11th of May. Registration will be available soon.
